

# Sound Ambassador 35 Deluxe

## Sound Ambassador 35 Deluxe 35 Watt Mobile Sound System

All-in-one compact mobile wireless sound system

Optional CD player with MP3 playback or MP3 recorder

Two wireless microphone receiver slots for optional UHF or Infrared wireless microphones

Operates on DC or AC power

6.5" full range speaker and 35 watt power amplifier built-in

### FEATURES:

- ▶ All-in-one compact mobile wireless sound system
- ▶ 6.5" full range speaker and 35 watt power amplifier built-in
- ▶ Optional UHF or Infrared wireless microphones
- ▶ Optional anti-shock CD player with MP3 playback or MP3 recorder
- ▶ Built-in DC charging circuit
- ▶ 12 VDC supply from built-in, maintenance-free lead acid type rechargeable batteries, 2.7Ah
- ▶ DC inlet for external power supply
- ▶ Slot for choice of two UHF PLL synthesized diversity or Infrared wireless receiver modules
- ▶ Built-in diversity receiving antennas
- ▶ One 1/4" phone jack for wired microphone input
- ▶ 1/4" phone jacks for line-level input and output
- ▶ Built-in limiter and protection circuitry to minimize distortion and overload
- ▶ Individual volume control for wired and wireless microphones
- ▶ Echo effect with level and time/repeat controls
- ▶ 25mm diameter tripod stand adapter, compatible with the Phonic S3 tripod stand

The Sound Ambassador 35 Deluxe is a totally mobile, self-contained sound system. The unit comes packed with a 6.5" speaker, built-in amplifier and rechargeable batteries, and can be customized to include anti-shock CD player with MP3 playback, digital MP3 recorder/player and up to two wireless UHF or infrared microphones. A built-in handle makes travel easy. Other important features include 1/4" microphone and line inputs, both with individual volume controls. A Line Out channel with 1/4" phone jack enables two Sound Ambassadors to be linked together. The unit is topped off with a built-in echo effect, protection circuitry and tripod stand mount. All of these features combine to make the Sound Ambassador 35 Deluxe a must-have for traveling presenters, small conferences, schools, classrooms, touring bands, clubs and karaoke.
